**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who supports broadband competition.

It is my right to be able to choose my internet provider, and I choose NOT to spend my money with a huge company.

My service provider is local, accessible, friendly and very efficient. I want to continue supporting this LOCAL company and its stellar services.

Don't continue to railroad consumers into choices that are more beneficial for big companies and than for the individual consumer.
